Big Sister Is Watching You: Hillary Clinton and the White House Feminists Who Now Control America and Tell the President What to Do Texe Marrs

They are unlike anything the world has ever experienced. They're ruthless, shrewd, and calculating--and they've got a stranglehold on the White House. Recruited and empowered by their boss, Hillary, these are the women who tell Bill Clinton what to do. Get ready, America, for the rise of the FemiNazis!

Big Sister Is Watching You unmasks the coven of brutally correct women who now rule over us. Hillary's regiment of hardened, militant feminists include lesbians, sex perverts, child molester advocates, Christian haters, and the most doctrinaire of communists. They possess awesome Gestapo powers. One heads the FBI, another the IRS. Five are members of the Trilateral Commission and the Council on Foreign Relations--subversive organizations whose goal is to end American sovereignty and bring about a global Marxist paradise.

Then there's Hillary Rodham Clinton. What dark power does she exercise over her husband, Bill? What's her real goal? Is she plotting behind the scenes to become President of the United States of America? Will she then go on to usher in a frightening New Millennium?

George Orwell's prophetic novel, 1984, warned us about Big Brother. Now, in the bizarre 1990s, it's time to "Move over Big Brother...your meaner Big Sister is moving in!"
