"What are the possibilities inherent in Socialism? What is it? What can it mean to humanity 's future? What would it look like in America? These are the questions raised in this exquisitely timely book. We must profoundly change the way we live, or we will not survive. A Socialism that we make ourselves could be the answer."--Alice Walker

The polar ice caps are melting, hurricanes and droughts ravish the planet, and Earth's population is threatened by catastrophic climate change. Millions of American jobs have been sent overseas and aren't coming back. Young African American men make up the majority of America's prison population. Half of the American population is poor or near poor, living precariously on the brink, while the top one percent owns as much as the bottom eighty. Government police-state spying on its citizens is pervasive. Consequently, as former President Jimmy Carter has said, "we have no functioning democracy."

Imagine: Living in a Socialist USA is at once an indictment of American capitalism as the root cause of our spreading dystopia and a cri di coeur for what life could be like in the United States if we had economic as well as a real political democracy. It features thirty-one concise and accessible essays by revolutionary thinkers and activists on various aspects of a new society and, crucially, on how to get from where we are now to where we want to be, living in a society that is truly fair and just.

**From reader reviews:**

**Robert Leggett:**

Spent a free time and energy to be fun activity to do! A lot of people spent their sparetime with their family, or their particular friends. Usually they undertaking activity like watching television, going to beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Do you wish to something different to fill your current free time/ holiday? Could possibly be reading a book may be option to fill your cost-free time/ holiday. The first thing that you ask may be what kinds of publication that you should read. If you want to test look for book, may be the publication untitled [(Imagine: Living in a Socialist USA)] [Author: Frances Goldin] published on (March, 2014) can be excellent book to read. May be it can be best activity to you.

**Ruth Westlund:**

It is possible to spend your free time to read this book this book. This [(Imagine: Living in a Socialist USA)] [Author: Frances Goldin] published on (March, 2014) is simple to bring you can read it in the playground, in the beach, train in addition to soon. If you did not include much space to bring the particular printed book, you can buy the actual e-book. It is make you simpler to read it. You can save the actual book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

**Charles Moreno:**

Is it you who having spare time and then spend it whole day by simply watching television programs or just resting on the bed? Do you need something new? This [(Imagine: Living in a Socialist USA)] [Author: Frances Goldin] published on (March, 2014) can be the solution, oh how comes? It's a book you know. You are and so out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these books have than the others?

**Marilyn Fox:**

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this [(Imagine: Living in a Socialist USA)] [Author: Frances Goldin] published on (March, 2014) can make you experience more interested to read.
