The Healing Light Agnes Sanford

There is enough power within God's laws to do anything that is in accordance with His will. Agnes Sanford says, "His (God's) will includes unlimited miracles. It is for us to learn His will, and to seek the simplicity and the beauty of the laws that set free His power." Setting free God's power in your life is the only purpose of this book. The approach is open-minded, refreshingly honest and reverently devout. Mrs. Sanford knows God's healing Power, and asks the reader to accept nothing, but rather to PROVE in his own experience that God heals disease today just as He always has. This is a book about how to step into the Creative and Healing Energies of God, how to pray effectively, how to re-educate the subconscious to positive belief, how to apply the law of Love, how to liberate the laws of healing, how to be an instrument for God's healing not only for yourself but for others, how to forgive and be forgiven, how to use group prayer and how the healing of the nations take place. This is a book about the perfect healing of minds and bodies and souls that is possible in harmonious relationship with God.
