"Healthy eating, daily yoga, a determined mental attitude, and getting a lot of money off of wasted men on weekends is the key to success."

Jobless, heartbroken, and broke, new college graduate Laila Lucent packs up her car and drives alone across the country to her new life as a Las Vegas stripper.

In an empowering, intelligent, and hilarious memoir of self-discovery, 22-year-old Laila takes us deep inside the best, most infamous, strip club in Las Vegas, the Spearmint Rhino.

From living with homeless drug addicts, to practicing yoga on the beaches of Costa Rica, from threesomes with wealthy foreigners, to dancing at the best music festivals in the world, The Yoga Stripper is a wickedly funny reverse fairy tale where morality is flexible, money is fast, and clothing is discouraged.
