Seduction In The Outback

Lance and Sarah spend two weeks in the Outback of Australia, but when they get stranded the two discover there is more to surviving than rescue, more to living than friendship, much more...

The Candles

Alice and Zack were two high school lovers who were inseparable until Zack's family moved away. Losing touch with him, Alice grew up to be a bartender at a dilapidated corner of her hometown. During a slow business day, a familiar face enters her life and asks for a whiskey. Even though the lights are dim and the man's wearing a coat, she realizes that it's Zack. Despite initial resistance, the two decide to rekindle their past relationship, and hope to finish the steamy business that they started. Will the two have a passionate night together, or are they burnt out?

The Intern's Predicament

Sheila was an intern in one of the most successful advertising agencies in the city and she wanted to prove her mettle. Her Creative Director was Connor, famous for both his work as well as his womanizing ways. Sheila felt nervous around him and intimidated by him but she also found herself attracted to him though she didn't want to accept it. But while working together on an ad campaign Sheila found herself dangerously close to him, would she be able to prove herself as an able copywriter or would she give herself up to Connor's irresistible charms?

Girls' Night Out

For several months, Amanda had been dating Michael, and she was devastated when her relationship with him fell apart. Being the strong woman she was, when her friend suggested that she move on from the break out by celebrating a night out with the girls, Amanda did not think twice about it. She dressed up in her best clothes and stepped out, confident that her life was getting ready to change forever. When she arrives at the club and realizes that her best friend of all, David, crashes the girl's night out party, she soon realizes that she is not in the least bit upset, and that he means more to her than she had ever realized.
