Far-away Stories (Illustrated)

William J. Locke

Far-away Stories (Illustrated) William J. Locke

The title of a volume of short stories is always a difficult matter. It ought to indicate frankly the nature of the book so that the unwary purchaser shall have no grievance (except on the score of merit, which is a different affair altogether) against either author or publisher. In my title I have tried to solve the problem. But why "Far-away?" Well, the stories cover a long stretch of years, and all, save one, were written in calm days far-away from the present convulsion of the world.

Anyhow, no one will buy the book under the impression that it is a novel, and, finding that it isn't, revile me as a cheat. And so I have the pleasure of offering it for your perusal with a clear conscience.
