SeaJourney (Arken Freeth and the Adventure of the Neanderthals) (Volume 1) Alex Paul

Arken Freeth is a 14-year-old boy in the Lantish Military Academy. War has broken out with the Amarrat Empire. Arken and his classmates set off on their first training voyage as officers-to-be into waters previously controlled by the Lantish Sea Service, but now patrolled by the Tookans, pirate allies of the Amarrats.

Join Arken as he struggles to survive 13,000 years ago in the lost world of the Lantish Empire on the Western edge of the Circle Sea, now called the Atlantic Ocean. Arken is the only commoner in an academy for Royals, and to make matters worse, he is also part Neanderthal, a secret he must hide from the people of Lanth or he will be put to death.

A new adventure series for those who loved Percy Jackson & the Olympians and Harry Potter.
