## **The Public Administration Workbook** Dennis Dresang

This unique workbook engages students in the study of public administration and helps them gain a deeper understanding of the field by providing exercises that expose them to a wide range of practical applications. Connecting theory to practice, a brief theoretical introduction precedes each exercise, explaining why the technique is important and how it is relevant to the study and practice of public administration.

### Key Features:

- A participatory approach to the key topics in public administration engages students and provide them with practical experience.
- Theoretical discussions prior to each exercise root the material in theoretical context and enable students to understand the importance and relevance of the exercise.
- A detailed Instructor's Manual, written by Dennis Dresang, guides instructors with solutions, explanations, and suggestions for using (and modifying) the exercises to fit a variety of course needs.
- Downloadable datasets and exercises make it easier than ever to assign, submit, and grade assignments electronically.
