## **Angels** Jane Williams

Many people are fascinated by angels, and some believe they have encountered them. In this beautifully illustrated book, Jane Williams traces the story of angels in the Jewish and Christian traditions. She shows how angels interact with humans at key moments in history, how they comfort and encourage, and how they move people forward in important ways and at special moments. As she explores angelic activity in the Scriptures, the author opens up for readers a universe that is far more complex and intriguing than many would believe possible. She examines issues and questions such as what angels look like, guardian angels, fallen angels, angels and Jesus, angels after the Bible, and more. This enchanting book will widen readers' horizons and set them upon a voyage of discovery.
