Sheriff Jason Calvin and the people of New Eden have managed to move on from a brutal war with a neighboring town. In the aftermath, a new government rose from the ashes to bring peace to the Tennessee Valley.

Unfortunately, there always seems to be people who have no interest in peace as a group of ruthless thugs with a personal axe to grind kills one of Jason's closest friends. Now, the sheriff has to deal with meddlesome bureaucrats, a conniving rival, and old enemies in an effort to find the men responsible, plus the small army protecting them, and bring them to justice.

Bad Moon on the Rise continues the story first told in *After the Blast* and continued in *Bloody Eden*.
