Introduction to Statistics and Data Analysis

Roxy Peck, Chris Olsen, Jay L. Devore

Introduction to Statistics and Data Analysis Roxy Peck, Chris Olsen, Jay L. Devore

This book introduces you to the study of statistics and data analysis by using real data and attention-grabbing examples. The authors guide you through an intuition-based learning process that stresses interpretation and communication of statistical information. They help you grasp concepts and cement your comprehension by using simple notation-frequently substituting words for symbols. You will also find coverage of the graphing calculator as a problem-solving tool, plus hands-on activities in each chapter that allow you to practice statistics firsthand.
