Liquid Modernity

Zygmunt Bauman

Liquid Modernity Zygmunt Bauman

In this new book, Bauman examines how we have moved away from a 'heavy' and 'solid', hardware-focused modernity to a 'light' and 'liquid', software-based modernity. This passage, he argues, has brought profound change to all aspects of the human condition. The new remoteness and un-reachability of global systemic structure coupled with the unstructured and under-defined, fluid state of the immediate setting of life-politics and human togetherness, call for the rethinking of the concepts and cognitive frames used to narrate human individual experience and their joint history.

This book is dedicated to this task. Bauman selects five of the basic concepts which have served to make sense of shared human life - emancipation, individuality, time/space, work and community - and traces their successive incarnations and changes of meaning.

Liquid Modernity concludes the analysis undertaken in Bauman's two previous books *Globalization: The Human Consequences* and *In Search of Politics*. Together these volumes form a brilliant analysis of the changing conditions of social and political life by one of the most original thinkers writing today.

From reader reviews:

Malissa Conlin:

Now a day people that Living in the era exactly where everything reachable by connect with the internet and the resources within it can be true or not need people to be aware of each facts they get. How a lot more to be smart in getting any information nowadays? Of course the answer then is reading a book. Reading through a book can help people out of this uncertainty Information specifically this Liquid Modernity book as this book offers you rich info and knowledge. Of course the knowledge in this book hundred % guarantees there is no doubt in it you may already know.

Donald Calderon:

The particular book Liquid Modernity will bring one to the new experience of reading the book. The author style to spell out the idea is very unique. When you try to find new book you just read, this book very suitable to you. The book Liquid Modernity is much recommended to you you just read. You can also get the e-book through the official web site, so you can more readily to read the book.

Richard Horgan:

Playing with family within a park, coming to see the coastal world or hanging out with good friends is thing that usually you might have done when you have spare time, in that case why you don't try factor that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Liquid Modernity, you could enjoy both. It is very good combination right, you still need to miss it? What kind of hang-out type is it? Oh can happen its mind hangout fellas. What? Still don't understand it, oh come on its referred to as reading friends.

David Creason:

This Liquid Modernity is great publication for you because the content which is full of information for you who always deal with world and possess to make decision every minute. This particular book reveal it information accurately using great plan word or we can point out no rambling sentences in it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but difficult core information with attractive delivering sentences. Having Liquid Modernity in your hand like getting the world in your arm, info in it is not ridiculous 1. We can say that no guide that offer you world inside ten or fifteen small right but this book already do that. So , this really is good reading book. Hey there Mr. and Mrs. active do you still doubt in which?
