The fully aligned Rise & Shine MAP Science workbooks—now available for grades 5 and 8—provide students with hours of practice in all areas covered by the Missouri Assessment Program Science Test. Our MAP Science titles are 100% aligned with Missouri’s MAP Standards for science. • Each workbook is directly aligned to the MAP Grade-Level Expectations 2.0. • The questions match the format and content that students can expect to see on MAP exams. • Hundreds of practice questions ensure that students are familiar with the MAP science exam format before walking into the test. • Many questions involve graphic representations, an important part of the MAP exam. • Teacher editions include extensive test-specific introductory guides and show correct and suggested answers for each of the questions asked, as well as the targeted skill for those questions. Our science workbooks are the most effective test preparation available today! Also a great home-schooling tool.
