Teaching in Your Office: A Guide to Instructing Medical Students and Residents, Second Edition

Patrick C. Alguire, Dawn E. Dewitt, Linda E. Pinsky, Gary S. Ferenchick

Office-based teaching occurs in a fast-paced, complicated environment where the teacher and student are concerned with both educational outcomes and patient care. This revised and updated edition continues to provide a reliable resource for physicians interested in improving their office-based teaching techniques while maintaining the efficiency of their practices. Preceptors will learn to: Evaluate their current approaches to teaching Incorporate new, proven techniques Minimize the effect of office-based teaching on productivity and length of day Optimize patient encounter time Give meaningful feedback and write preceptor evaluations Concise and practical, this second edition is further enhanced with an online collection of educational tools and resources and an electronic teaching-encounter form for mobile devices. A part of ACP's Teaching Medicine Series, this title is available individually or as a part of the complete six-book set.
