**The Princess and the Pea and Other Favorite Tales (With Original Illustrations)** Hans Christian Andersen

A prince seeking a true princess, an emperor in love with his wardrobe, a romantic tin soldier standing firmly at attention, and a bird whose song is so lovely even death cannot resist it: these are characters whose stories have made Hans Christian Andersen one of the world's most enduring storytellers for children.

This collection of Andersen's best short stories combines the world-famous translation of H.B. Paull with two sets of classic illustrations, the engravings of Vilhelm Pedersen from the original Danish edition and Helen Stratton's illustrations from *The Fairy Tales of Hans Christian Andersen*. Both sets provide a beautiful and dramatic visual compliment to these charming and memorable tales.

Also included are notes with pronunciations and definitions of some words that may be unfamiliar to grade school readers.
