Criminal defense attorney Jason Kolarich returns in this shocking new thriller by the Edgar® Award-winning author.

A young paralegal is brutally killed. A homeless Iraq war veteran has been caught with the murder weapon and the victim's belongings—and he can't remember what happened...

Jason Kolarich has been asked by the young man's aunt to defend him. It seems like a standard insanity defense based on Post-Traumatic Stress Disorder—until Kolarich realizes that his client is actually innocent. The victim had been working a case of her own, following a trail of paper and money that connected international terrorists to corporate America, where there are those who want to teach the U.S. government a lesson.

Kolarich knows finding the true murderer is the key to exposing the conspiracy. As time grows short for both his client and thousands of innocent Americans, he races to find a trained killer and uncover the details of the attack. But Kolarich soon discovers that the game has already been rigged—and that he himself is about to become the next target...
