Whether you are a veteran of the indie game scene or have never played an indie game before, this book helps you experience the best in indie gaming and further your understanding of why indie games are so important in the entertainment industry.

The wide range of games highlighted in the text encompasses concepts and ideas that will change your perspective of what video games can be. The book covers puzzlers, platformers, beat 'em ups, shoot 'em ups, role-playing, and strategy.

Apart from being fun, indie games can be experimental, emotional, nostalgic, and occasionally just plain bizarre. Better still, the majority of these games are completely free to play and even the commercial releases are incredibly cheap.
