Boy Without Instructions: Surviving the Learning Curve of Parenting a Child with ADHD. Penny Williams

#1 Best Seller on Amazon!

2014 USA Best Book Awards Winner: Finalist, Parenting & Family

Most books on ADHD don't dare expose the genuine grit of the moment-by-moment peaks and valleys of this special parenthood -- the gut-wrenching, crying on the bathroom floor, feeling like you're losing your mind truth of the matter that is learning to successfully parent a child with ADHD. *Boy Without Instructions: Surviving the Learning Curve of Parenting a child with ADHD* changes that.

Williams shares her unfiltered thoughts and emotions during her progression through this learning curve during this harrowing ride. Right before your eyes, this initially grief-stricken momma transforms from obsessed-with-ADHD control-freak and helicopter mom to optimistic and (mostly) confident parent of a child who happens to have ADHD. *Boy Without Instructions* validates your grief and guilt, yet reveals that it's truly possible to craft a (mostly) joy-filled life for your child with ADHD, yourself, and your family.
