Earlham College: A History, 1847-1997

Thomas D. Hamm

Earlham College: A History, 1847-1997 Thomas D. Hamm

"For Earlham, Hamm has written one of the best single-volume college histories—extremely well researched, complexly interpreted, and fluidly written." —The Journal of American History

"... highly readable and entertaining..." —Indiana Magazine of History

"As well as being a history of Quaker education, it also has insights for the history of higher education itself. The book remains engaging throughout and readers will be challenged by the contemporary nature of many of the debates concerning religious and social issues that have caused dissension on the Earlham campus and within Quakerism both currently and in past years." —The Southern Friend

"Earlhamites and other Quakers should read this book and ponder it!" —Quaker Life

In celebration of Earlham's sesquicentennial, here is the history of one of the few nationally ranked liberal arts colleges that still retains a strong religious identity. Earlham College was founded by Indiana Quakers in 1847 for the "guarded religious education of the children of Friends" and became the prestigious school of the twentieth century only after struggles which pitted traditionalists and moderates in a battle of revivalism and primitivism against change and reform.

From reader reviews:

Janet Smith:

As people who live in the modest era should be up-date about what going on or info even knowledge to make these keep up with the era which is always change and make progress. Some of you maybe will update themselves by studying books. It is a good choice in your case but the problems coming to you actually is you don't know which one you should start with. This Earlham College: A History, 1847-1997 is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

Daryl Pena:

Your reading 6th sense will not betray you, why because this Earlham College: A History, 1847-1997 e-book written by well-known writer we are excited for well how to make book that could be understand by anyone who all read the book. Written with good manner for you, still dripping wet every ideas and publishing skill only for eliminate your current hunger then you still question Earlham College: A History, 1847-1997 as good book not merely by the cover but also with the content. This is one publication that can break don't evaluate book by its cover, so do you still needing a different sixth sense to pick that!?! Oh come on your examining sixth sense already said so why you have to listening to an additional sixth sense.

Wayne McKnight:

This Earlham College: A History, 1847-1997 is completely new way for you who has intense curiosity to look for some information since it relief your hunger associated with. Getting deeper you on it getting knowledge more you know otherwise you who still having bit of digest in reading this Earlham College: A History, 1847-1997 can be the light food to suit your needs because the information inside that book is easy to get through anyone. These books produce itself in the form that is certainly reachable by anyone, that's why I mean in the e-book contact form. People who think that in guide form make them feel tired even dizzy this book is the answer. So there is absolutely no in reading a publication especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss the idea! Just read this e-book kind for your better life and knowledge.

Truman Gallagher:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Earlham College: A History, 1847-1997 can make you truly feel more interested to read.
