"The finest historical novel our 20th century has yet produced; indeed it dwarfs most of the fiction of any kind that Europe has produced in the last twenty years."

-- Contemporary Movements in European Literature, edited by William Rose and J. Isaacs

"As a novel it must be ranked with the greatest the world knows today." -- Montreal Star

"Sigrid Undset's trilogy embodies more of life, seen understandingly and seriously... than any novel since Dostoevsky's *Brothers Karamazov*. It is also very probably the noblest work of fiction ever to have been inspired by the Catholic art of life." -- Commonweal

"No other novelist, past or present, has bodied forth the medieval world with such richness and fullness of indisputable genius.... One of the finest minds in European literature."

-- New York Herald Tribune

"This trilogy is the first great story founded upon the normal events of a normal woman's existence. It is as great and as rich, as simple and as profound, as such a story should be."

-- Ruth Suckow in the Des Moines Register
