Practical Neuropsychological Rehabilitation in Acquired Brain Injury: A Guide for Working Clinicians (Brain Injury Series)

Practical Neuropsychological Rehabilitation in Acquired Brain Injury: A Guide for Working Clinicians (Brain Injury Series)

The book acknowledges the complexity of working with clients who have an acquired brain injury but at the same time gives the interested reader practical and useable guides to develop their practice. Throughout the text, case studies and practical suggestions are forwarded to facilitate do-able practice. It is hoped that the book will become a gold standard in this particular area and is aimed at a range of professionals in training (for those responsible providing training in psychopathology, neuropsychology and psychotherapy), and those who have an interest in working with the issues commonly seen post acute brain injury rehabilitation settings.
