Gahl Sasson's second book, Cosmic Navigator, is like a GPS for the soul. It combines Astrology, the map of where and who we are, with Kabbalah the navigation system that tells us how to get to our goal and avoid those traffic patterns and areas of gridlock in our lives. This three part text is the first book of its kind. Not only is it the first book to use Astrology as a resource for self help, it also weds the wisdom of ancient Kabbalistic truths with the powerful archetypes of the zodiac to help you improve and change your life. The first part of the book introduces the basic concepts of Kabbalah and Astrology and how they work together. The second part teaches you how to interpret your own astrological chart as the road map of your life. The third and final part of the book, which is based on Gahl's twelve week workshop, walks the reader through the twelve signs and teaches them how to use each one to bring balance and success into their lives. Is your love life in need of more passion? Turn to the chapter on Scorpio and learn how to invoke that sexual mysterious energy. Do you need to be more assertive at work? Turn to the chapter on Aries and discover your inner warrior. Unlike other astrology books that simply offer stereotypical profiles, Cosmic Navigator teaches us how to take control of our astrological destinies.
