Letters Philip Dormer Stanhope Chesterfield

Not originally intended for publication, the celebrated and controversial correspondences between Lord Chesterfield and his son Philip, dating from 1737, were praised in their day as a complete manual of education, and despised by Samuel Johnson for teaching "the morals of a whore and the manners of a dancing-master." Reflecting the political craft of a leading statesman and the urbane wit of a man who associated with Pope, Addison, and Swift, *Lord Chesterfield's Letters* reveal the author's political cynicism, his views on good breeding, and instruction to his son in etiquette and the worldly arts. The only annotated selection of this breadth available in paperback, these entertaining letters illuminate the fascinating aspects of eighteenth-century life and manners.
