Two Hot Rock Stars, The Desperate Ache of Sexual and Emotional Release & One Lucky Journalist Collide in Nicole Stewart's Latest MMF Bisexual Boxed Set!

Katie is a rising star at a popular music magazine, poised to be one of the most important contemporary music journalists. A nonstop work schedule and her drive to succeed leave little room to build relationships or even take care of her basic sexual needs.

Now she has a new assignment: Going on Tour with one of the hottest rock bands on the scene in order to document their day to day lives. She's well aware of **the band's not-so-secret sexual exploits**, and she is determined to keep things strictly professional.

It's going to be tough, though, because the guys in La Volta are not only *insanely hot*, but their distinct personalities and laid back attitude are compelling in a way that has her desperate to find out more about each of them.

Jonathan is the front man for La Volta, the band that he has dedicated his life to. With their recent meteoric rise to success, he and the rest of the band have been forced to deal with the ups and downs of increased popularity.

The latest in this torrent of publicity comes in the form of a gorgeous journalist from a big music magazine who is going to tour with them for the purpose of writing an article. The story could give them just the kind of boost required to take them to the next level of success.

Having to babysit a reporter during a stressful tour is going to be a pain in the ass, **but he's determined to have a good time with it while keeping a few of his sexy secrets away from prying eyes.**

Please be advised that this series contains vividly detailed descriptions of bisexual encounters between 2 men and a woman.
