The thoroughly updated Third Edition of this popular and widely used review book offers interns and residents excellent preparation for the USMLE Step 3 or COMLEX-USA Level 3. The book presents approximately 900 USMLE-style questions followed by detailed answers and explanations.

Questions are organized into clinical encounter contexts, exposing readers to the wide variety of physician tasks and practice settings—office, hospital, emergency department, and satellite clinic—that are tested on the exam. The comprehensive coverage includes internal medicine, surgery, psychiatry, pediatrics, neurology, and obstetrics/gynecology.

A companion Website provides all the questions and answers online in an interactive format.
