The Bluford Series is a collection of TEN young adult novels that focus on the lives of a group of high school students and their families. The series draws its name from the school which many of the characters attend: Bluford High, named after Guion "Guy" Bluford, America's first black astronaut. Set in contemporary urban America, each novel addresses complex topics relevant to the lives of today's students: family, friendship, trust, isolation, violence, and peer pressure, to name a few. In addition, the books feature male and female characters and include elements from many literary genres, such as mystery, suspense, romance, and a touch of the supernatural. In other words, the Bluford Series offers something for almost every reader. Finally, the books are short (less than 200 pages) and written in a highly readable style. Reviewed in a national reading journal and praised by students and teachers nationwide, the Bluford Series appeals to readers of all ages.
