There's Not an App for That: Mobile User Experience Design for Life Simon Robinson, Gary Marsden, Matt Jones

There's Not an App for That will make your work stand out from the crowd. It walks you through mobile experiences, and teaches you to evaluate current UX approaches, enabling you to think outside of the screen and beyond the conventional. You'll review diverse aspects of mobile UX: the screens, the experience, how apps are used, and why they're used. You'll find special sections on "challenging your approach", as well as a series of questions you can use to critique and evaluate your own designs. Whether the authors are discussing real-world products in conjunction with suggested improvements, showcasing how existing technologies can be put together in unconventional ways, or even evaluating "far out" mobile experiences of the future, you'll find plenty of practical pointers and action items to help you in your day-to-day work.

- Provides you with new and innovative ways to think about mobile design
- Includes future mobile interfaces and interactions, complete with real-world, applied information that teaches you how today's mobile services can be improved
- Illustrates themes from existing systems and apps to show clear paths of thought and development, enabling you to better design for the future

From reader reviews:

Gary Flint:

In this 21st century, people become competitive in every way. By being competitive currently, people have do something to make these people survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated that for a while is reading. Yep, by reading a book your ability to survive raise then having chance to stand up than other is high. To suit your needs who want to start reading some sort of book, we give you this particular There's Not an App for That: Mobile User Experience Design for Life book as basic and daily reading e-book. Why, because this book is usually more than just a book.

Bertha Davis:

This book untitled There's Not an App for That: Mobile User Experience Design for Life to be one of several books which best seller in this year, this is because when you read this e-book you can get a lot of benefit upon it. You will easily to buy this particular book in the book shop or you can order it by means of online. The publisher in this book sells the e-book too. It makes you quicker to read this book, since you can read this book in your Cell phone. So there is no reason to you to past this book from your list.

Federico Hayward:

This There's Not an App for That: Mobile User Experience Design for Life is great book for you because the content which can be full of information for you who all always deal with world and have to make decision every minute. That book reveal it details accurately using great manage word or we can claim no rambling sentences inside it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but challenging core information with attractive delivering sentences. Having There's Not an App for That: Mobile User Experience Design for Life in your hand like finding the world in your arm, info in it is not ridiculous just one. We can say that no e-book that offer you world within ten or fifteen moment right but this publication already do that. So , this is good reading book. Hey Mr. and Mrs. hectic do you still doubt that?

Cassandra Giron:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this There's Not an App for That: Mobile User Experience Design for Life can make you truly feel more interested to read.
