About Looking John Berger

As a novelist, art critic, and cultural historian, John Berger is a writer of dazzling eloquence and arresting insight whose work amounts to a subtle, powerful critique of the canons of our civilization. In *About Looking* he explores our role as observers to reveal new layers of meaning in what we see. How do the animals we look at in zoos remind us of a relationship between man and beast all but lost in the twentieth century? What is it about looking at war photographs that doubles their already potent violence? How do the nudes of Rodin betray the threats to his authority and potency posed by clay and flesh? And how does solitude inform the art of Giacometti? In asking these and other questions, Berger quietly -- but fundamentally -- alters the vision of anyone who reads his work.

From reader reviews:

Bonita Murray:

In this 21st hundred years, people become competitive in every way. By being competitive at this point, people have do something to make them survives, being in the middle of the particular crowded place and notice by simply surrounding. One thing that oftentimes many people have underestimated that for a while is reading. Yes, by reading a e-book your ability to survive raise then having chance to stay than other is high. For yourself who want to start reading a new book, we give you this kind of About Looking book as beginner and daily reading publication. Why, because this book is more than just a book.

Tanya Minor:

People live in this new day time of lifestyle always try and and must have the spare time or they will get large amount of stress from both daily life and work. So , when we ask do people have free time, we will say absolutely yes. People is human not only a robot. Then we ask again, what kind of activity are you experiencing when the spare time coming to you actually of course your answer can unlimited right. Then do you ever try this one, reading books. It can be your alternative inside spending your spare time, the book you have read will be About Looking.

Theresa Smith:

This About Looking is great publication for you because the content which is full of information for you who also always deal with world and also have to make decision every minute. That book reveal it data accurately using great manage word or we can say no rambling sentences inside. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with wonderful delivering sentences. Having About Looking in your hand like having the world in your arm, data in it is not ridiculous 1. We can say that no publication that offer you world inside ten or fifteen moment right but this e-book already do that. So , this is good reading book. Hello Mr. and Mrs. occupied do you still doubt in which?

Angel Sutton:

As we know that book is essential thing to add our expertise for everything. By a guide we can know everything you want. A book is a group of written, printed, illustrated or maybe blank sheet. Every year ended up being exactly added. This publication About Looking was filled regarding science. Spend your spare time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading any book. If you know how big benefit of a book, you can really feel enjoy to read a publication. In the modern era like now, many ways to get book which you wanted.
