Embraced by Love Suzanne Brockmann

Josie and Cooper were one of those couples everyone envied: gorgeous, successful, and so deeply devoted. Even though Josie tended to work too hard, putting in long hours to lift her fledgling company off the ground, and Cooper could be wild and unpredictable, the two complimented one another. It seemed their love would last forever.

But sometimes love just isn't enough. When a tragic accident leaves Josie and Cooper with two young children to care for, their bond will be tested. Now the pressures of their commanding careers are compounded by the needs of the children, and they find themselves drifting further and further apart. They will have to work to find the way back to each other, to the incredible passion that was once at the center of lives—and still burns deep in their hearts.
