Is God Really Speaking?

Yes—and you can learn to hear Him.

Today, many are skeptical that God is speaking or that we can know with certainty we're hearing Him accurately. *Hearing God's Voice Made Simple* makes the case that God is speaking and that we can learn to hear Him. As you read this book, you may even discover that God has been speaking to you all along but you simply didn't know how to hear Him.

With the same straightforward, down-to-earth style used in the best-sellers *Divine Healing Made Simple* and *Seeing in the Spirit Made Simple*, *Praying Medic* teaches about the many ways in which God speaks. You'll find practical exercises at the end of key chapters to help develop your ability to sense what God is saying to you. Whether you're skilled at hearing God's voice, or more of a novice, this book will show you ways of hearing from God that you may not have considered—and you'll also learn what to do with the things God says.

This book is part of a series called **The Kingdom of God Made Simple**— a self-study course designed to train believers to live the life offered to them as heirs of God's kingdom.
