## If You Can't Stand the Heat (Poppy Markham: Culinary Cop) Robin Allen

Poppy Markham practically grew up at the family restaurant in Austin, Texas, and, until recently, worked as a sous chef under her surly stepsister Ursula. Poppy's not sure if her dad will ever forgive her for leaving the family business to become a public health inspector--the most reviled figure in the restaurant industry--but when he asks her back into the kitchen to help out during the restaurant's grand re-opening, she can't refuse. Chaos ensues when the guest of honor, Michelin-rated chef Évariste Bontecou, is found stabbed to death with Ursula's knife. *Sacrebleu!*

Sorting through everyone who had it in for the hot-headed, philandering French chef is worse than deboning a Coho salmon. Could it be the bad boy sous chef eyeing his chance at the top or the conniving waitress rumored to be Évariste's paramour *du jour*? The closer Poppy gets to the truth, the hotter things get. And as everyone knows: if you can't stand the heat, stay out of the kitchen.
