Kochar's Clinical Medicine for Students

Thoroughly revised for its Fifth Edition, this concise textbook is ideal for medical students in internal medicine clinical clerkships. This edition's content reflects current guidelines from the Clerkship Directors in Internal Medicine and the National Board of Medical Examiners on topics necessary for this rotation. The book is a collaboration between clinical faculty at the Medical College of Wisconsin and clerkship students who have reviewed all chapters for relevance to the clerkship experience.

A companion Website will offer the fully searchable text; 39 additional chapters; 300 multiple-choice questions with detailed explanations, organized to mimic end-of-rotation exam settings; ECG and CXR images with explanations; narrated physical examination videos; and "Medicine Rounds," a quick review of questions frequently asked on rounds. The online chapters include:
