Metaphysical Encounters of a Fourth Kind: An Exacting Science Audrey Craft Davis

Metaphysical Encounters of a Fourth Kind Audrey Craft Davis * Dr. Davis takes the profound knowledge of the spiritual and metaphysical realm and makes it easy to understand. "Metaphysics made easy" could define this book * The reader can identify with the examples, personal and otherwise. * After reading this book, one will never fear death. * Learn to achieve miracles and take back your power, through instruction and examples of the magical force in applying the book's principles. * Words and thoughts are things. They materialize. You can control your thoughts! * Don't give them your life force by thinking about them or speaking them, unless the subject is one you will want to materialize in your life. Man is God's only creation with the ability to change his world by changing his thoughts and words. Learn how to go into the silence to quiet your mind. * Collective words and thoughts can and do change the world and civilization. Mantras and chants are very powerful. * Love is the greatest force in the world. Learn the love technique for surrounding your loved ones and yourself with the "white light" protection. This was proven in the author's life and others. It is not your imagination. * You can communicate with those from the other side. Read the author's personal experience as well as others. * Learn to use your right brain through your alpha, theta and delta brain wave frequencies. * Do you know your guardian angels and spirit guides? They have been with you since the day you were born. Learn how to talk to them and gain their help. * 11. Out-of-body (OBE) experiences: you can learn astral projection by using the technique given in this book. The author has given precautions so you need not fear this phenomenon. OBE experiences can happen without your volition as in auto accidents or surgery, and prisoners of war. * Do you know the steps to materializing the things you want? Treasure-mapping along with cyber-optic viewing is one very successful method. There are others. Read on. * Why do we dream? Learn a technique for remembering your dreams. Dreams can be a warning. Do you have prophetic dreams? What about dream symbols and what they mean? * Spirit possession: multiple personalities are often actually possession. When treated as such, most cases are healed. Dr. Edith Fiore, a psychiatrist, says it has been so in her every case. * Why do children die? Do they grow up on the other side? Do they remain children? Are they the secret playmates of your childhood? Remember your invisible companions? * Learn about spirits and ghosts from the distant past, like those in the White House and the phantom train that carries the body of President Lincoln along the same route as it did in real life, except it never reaches its destination. Thousands have witnessed this phenomenon. * Read about the eighth wonder of the world, the Coral Castle, built in Florida, single-handed by a 97-pound man, using stones which weigh several tons each. These stones equal the size of the stones in the pyramids. This book is phenomenal in the way it explores the mysterious wonders of the world. You will be truly astounded and enlightened. Endorsements "Dr. Audrey Craft Davis is one of those rare people who can present a complex subject simply and clearly. As an introduction to metaphysics this book is first-rate. -- Rev. Paul Daniele
