Batman: Dead White John Shirley

Who better than Batman to protect the dangerous city of Gotham, where even the cops are crooks? But the latest imminent terror might be too much for the burgeoning Caped Crusader, who is still carving out a place for himself in the minds of Gotham's criminals.

There's a host of deadly new weapons in Batman's glittering, sinister city—in the hands of a psychotic mastermind called White Eyes. With his radical murder machine, the fiendish leader of Gotham's racist Bavarian Brotherhood can move beyond dealing drugs and hot guns to pursue his real passion: the white supremacist takeover of America.

The homegrown terrorists' first strike—at the heart of our nation's capitol—is only weeks away. But first they'll test out their killer toys on Batman, who is hot on the trail of White Eyes and his brutal militia. Ounce for ounce, muscle for muscle, Batman's no match for the cunning villain and his wicked new firepower. At least, that's how White Eyes sees it.

Batman has other ideas . . .
