#### Jason Faria:

Reading a publication can be one of a lot of pastime that everyone in the world loves. Do you like reading book consequently. There are a lot of reasons why people enjoy it. First reading a reserve will give you a lot of new details. When you read a book you will get new information simply because book is one of various ways to share the information as well as their idea. Second, examining a book will make you more imaginative. When you looking at a book especially hype book the author will bring that you imagine the story how the characters do it anything. Third, you could share your knowledge to some others. When you read this "Come unto these yellow sands," you can tells your family, friends and soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a book.

#### Edward Johnson:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this "Come unto these yellow sands," can make you sense more interested to read.
