This book is the second volume in a three-set collection. The Grail Message is a classic work which offers clear answers to fundamental questions which challenge every human being. It is a collection of essays which addresses all spheres of life including the meaning of life, free will, the intellect, intuition, responsibility, divine justice, and love. In clear, specific, and unambiguous language, the work explains issues such as the purpose of life, what happens to the human spirit beyond the material worlds, and most importantly, the relationship of the spirit to the source of all life, the Almighty Creator. Abd-Ru-Shin writes, "I wish to fill the gaps which so far have remained unanswered in the souls of men as burning questions, and which never leaves any serious thinker in peace."
