King Lear (Modern Library Classics)

William Shakespeare

King Lear (Modern Library Classics) William Shakespeare

King Lear is Shakespeare's bleakest and profoundest tragedy, a searing dramatization of humankind at the edge of apocalypse that explores the family and the nature of being with passion, poetry, and dark humor.

Under the editorial supervision of Jonathan Bate and Eric Rasmussen, two of today's most accomplished Shakespearean scholars, this Modern Library series incorporates definitive texts and authoritative notes from **William Shakespeare: Complete Works**. Each play includes an Introduction as well as an overview of Shakespeare's theatrical career; commentary on past and current productions based on interviews with leading directors, actors, and designers; scene-by-scene analysis; key facts about the work; a chronology of Shakespeare's life and times; and black-and-white illustrations.

Ideal for students, theater professionals, and general readers, these modern and accessible editions set a new standard in Shakespearean literature for the twenty-first century.
