The Portrait of a Lady Henry James

Henry James's beloved novel about a young woman's search for freedom in a world that seeks to tie her to convention

In the wake of her father's death, young Isabel Archer decides to travel to England to visit her aunt, leaving behind the life set out for her in America and spurning the romantic overtures of her Bostonian suitor. At her aunt's country estate, Isabel is determined to plot a new course unburdened by routine. But, prodded by convention at every turn, Isabel makes a decision that not only undermines her longing for independence, but may seal her fate forever.

Among one of Henry James's most timeless works, *The Portrait of a Lady* is a rich and nuanced depiction of human psychology and the tension between the pull of social norms and the desire for autonomy.

This ebook has been professionally proofread to ensure accuracy and readability on all devices.
