## **Virtual Instrumentation using LABVIEW** Sanjay Gupta

Virtual instrumentation using labview is a pioneer text in the field of virtual instrumentation and also on labview 2009. This book serves the academic community as a literature and form of instruction on vi, and as a practical text for practicing technologists. As stalwarts in the field of education, the authors have also taken care to draw a parallel between programming in labview and in conventional languages. It is thus useful for both the beginner and the professional program developer.
