**A Practical Treatise on Humanity to Honey Bees: Or Practical Directions for the Management of Honey Bees, Upon an Improved and Humane Plan, By Which ... Be Preserved, and Abundance (Classic Reprint)** Edward Townley

The primary object of this little compilation is the dissemination of a more systematic method of conduct pertaining to Honey Bees, than has heretofore been practised. When our industrious citizens are apprised of the most approved method of cultivating Bee Sjang and the rational amusement and actual profit to be derived from Honey Bees, we may confidently expect that this branch will no longer loiter in the rear of other improvements in rural economy.
