Rogue Warrior: Seal Force Alpha- From Vietnam's Phoenix Program to Central America's Drug Wars Richard Marcinko

AS A U.S. NAVY SEAL, RICHARD MARCINKO KNEW NO LIMITS -- AS THE *ROGUE WARRIOR*, HE OBEYS NO RULES!

SpecWar master Richard Marcinko has revealed classified, kill-or-be-killed operations in a series of *New York Times* bestsellers: *Rogue Warrior*, his #1 blockbuster autobiography, and four scorching *Rogue Warrior* novels. Now in an electrifying new adventure, the *Rogue Warrior* battles an ultra-secret, ultra-lethal military plot.

The *Rogue Warrior*'s taking a flying leap -- a high-altitude jump over the South China Sea. His mission: scuttle a Chinese freighter's cargo of nuclear hardware and its crack crew of naval commandos. It's a leave-no-tracks, take-no-prisoners operation, and business as usual for Marcinko. But on board he makes a chilling discovery: a cache of state-of-the-art command and control equipment, all made in the U.S.A. -- and primed for America's destruction! Marcinko takes his findings back to Washington, where he runs into a wall of doublespeak and double deals. Tapping into his own intelligence sources, he discovers the ugly truth -- some of the U.S. military's most sophisticated technology has been given to our most dangerous potential adversary: the Chinese. Their long-range objective: turning the United States into a third-world country -- and a fifth-rate power. Worse, the *Rogue Warrior* discovers that Washington has signed off on the deal. But not everyone wants to see America go down the drain. General Tom Crocker, chairman of the Joint Chiefs of Staff, unleashes the SEALs of war -- Marcinko and a Pentagon-based unit, SEAL Force Alpha -- to neutralize a global maze of political deceit that begins all too close to home.

The Chinese sense victory. They have a mole in the White House, and five thousand years of military strategy on their side. But neither the traitor nor all the wisdom of Sun Tzu are prepared for Marcinko and his men. They, after all, live by the *Rogue Warrior*'s Tenth Commandment of SpecWar: "There Are No Rules -- Thou Shalt Win At All Cost."
