Holly Hayes is a realist, if nothing else. She's going to be Maid of Honor at her best friend, Emma's wedding in Summer Lake. Pete Hemming, self made millionaire, powerful CEO, all around good guy, is going to be the Best Man. If they're going to be able to get through their official duties, there's one thing they'll need to deal with first. Sex!

He may be out of her league socially and financially, but one thing is clear. He wants her. She wants him. What's the harm in one night of passion? It's inevitable they're going to end up naked together. So it's best to get it out of the way early, right? So they can get on with organizing the wedding.

Pete Hemming is a man with a plan. He's lived his life by the plan, built his business by it. The plan doesn't allow for a woman in his life, only in his bed. Trouble is, once he gets Holly into his bed, he can't get her out of his mind. But he can't let her into his life, can he?

The Summer Lake series follows a group of friends from a small lakeside town in the California hills. They have kept in touch over the years and now, in their early thirties, their lives are drawing them back to Summer Lake and to each other.

This book is intended for adult readers 18+
