Classroom Management: Creating a Successful K-12 Learning Community Paul Burden

With this innovative book, teachers and prospective teachers will gain the skills needed to create a positive classroom community. It presents fundamental principles of classroom management and discipline along with ways to involve students in the creation of their learning environment. The new third edition reflects a practical, realistic view of teaching with the content being organized in a logical, sequential order. Standards are used to guide the development of new teachers, help inservice teachers improve their performance, and assess both teacher preparation and teacher performance.
