Start & Run a Landscaping Business (Start and Run A) Joel LaRusic

If you are interested in a job that brings you close to nature, is healthy both for your body and potentially your bank account, then starting a landscaping business may be right for you. This book shows you how to start a successful business mowing lawns, trimming hedges, and gardening. The book is perfect for anyone who wants to start from scratch, or for anyone who already works in the landscaping business but would like to strike out on their own. You don't need to know anything about horticulture just yet. This book will give you the basics of horticulture and landscaping, and the basics of running your own business in easy-to-understand terms. Written by a landscaping expert with a decade of experience, the book includes an insider's tricks of the trade. This book also covers snow shoveling and plowing, for those landscapers who live in colder climates. The book outlines how you can make money all year round, even when it snows.
