Swarms of Locusts: The Jesuit Attack on the Faith Michael Bunker

A historical expose on the Jesuit's influence on mainline Protestant doctrine and practice. In this work the author uncovers the history of the cooperative salvation theology of the Jesuits, and how that unorthodox theology was absorbed by Protestants. From Cain to Charles Finney, this book historically connects-the-dots and undeniably proves that modern Protestantism has abandoned the Doctrines of Grace and embraced the Jesuitical doctrines of the Catholic Church.
