Building on the power of first impressions, Nicholas Boothman shows how to find and meet the love of your life—and have that person fall in love with you—in a mere 90 minutes, or approximately the time it takes to have a first dinner date. Now in paperback, this follow-up to his bestselling *How to Make Someone Like You in 90 Seconds or Less* is updated throughout with information on Internet dating, bringing together all of Mr. Boothman's considerable interpersonal skills to the problem of finding lasting love, fast.

And it works: The feedback Boothman has received from a number of his clients begins, "Please come to my wedding. . . ." Starting with a series of revealing self-assessment tests that show how to find your Matched Opposite (a person who makes you feel complete), here is how to make a fabulous first impression, with tips on everything from attitude to accessories; how to be charming, not alarming; introductions, opening lines, and the 1-2-3 mantra of never hesitating. There are techniques for starting and maintaining conversation and for finding "Me Too" moments, plus the importance of flirting, incidental touching, rules of self-disclosure, and more. Real-life examples and analyses of actual conversations show the method at work.
