## **Against Atheism: The Case for Christ (Volume 2)** Toby Baxendale

Toby Baxendale is a Christian writing here for those who, like himself, regard themselves as rational people when it comes to considering what they believe. In Book 1: "Against Atheism: the Case for God," the rational case for God was introduced. If you accept its findings you may want to know more about God. Book 2: "Against Atheism: the Case for Christ," is a historical and scriptural look at Christianity, an assessment of the evidence offered to the rational person for belief in Jesus Christ. By looking at some of the controversial aspects of Christianity that are said by some to undermine its credibility, the case for Jesus Christ is made robust in this book.
