Introducing the Amazon Best Seller Curtis Cash: Journey of Souls below you can read the first couple paragraphs.

It was a beautiful day. Nice, clear, crisp and you could see the road for miles. Curtis Cash was driving his brand new white Bugatti through the gorgeous scenery. The road was smooth; the sky was a picture perfect blue with the clouds in shapes that just made you smile and appreciate the present moment. Dirt was surrounding the miles of road with gigantic mountains that were far away but so big that you felt like you could touch them and the sun was shining. It was shining bright and the weather was more than alright. It was fantastic and it made you think you were watching the end of a happy movie, where the guy escapes with the girl and lives happily ever after.

That is not the case here though. This story is not a movie. This story is about Curtis an ordinary guy who was living in an ordinary world with ordinary people. Nothing wrong with being ordinary but Curtis felt that deep down in his heart he had so much more to offer. He felt that he had so much more to do and be that...You know what I'll let him talk.

Here Is A Preview Of What You'll Read...
