Forsaken, Book Eight in the Fated Saga.

Jae Mochrie is Juliska Blackwell's prisoner. She's tasked him with a simple request... one he refuses to give in to. The price for his defiance is exactly what he expects. But he sees an out... a possible solution, at least a temporary solution. One that might give him more time. Unfortunately, it does not go as planned and Juliska's reaction is not what he expects, at all.

It sends her into a fury. And then to top it all off, she sees a ghost... one from her past. A face she never wanted to see again. These events set off a chain reaction, leading to Juliska's first real vision in years.

Just how did Juliska Blackwell go from lost girl found, and raised by the Svoda, to a Firemancer, to being their Queen? You might think you know her motivation... there's been a few hints along the way.

What happened when she was kidnapped by Jurekai Fazendiin? The first made and most powerful of the Immortal Grosvenor.

What really happened on what should have been the happiest day of her life? Her wedding day...

And who exactly is "Uncle Eddy" otherwise known as Colin Edward Gillivray, and why did he take his own life? Forcing him to straddle the world of the living and the world of the dead, for all eternity.

Before we can go forward, we must first go back.
