The Splendour Falls Susanna Kearsley

Praise for *New York Times* bestseller *The Firebird*:

"Kearsley blends history, romance and a bit of the supernatural into a glittering, bewitching tale."—*Kirkus*

An Ancient Castle, a Tragic Love, and a Web of Secrets Begins to Unravel...

Emily Braden has stopped believing in fairy tales and happy endings. When her fascinating but unreliable cousin Harry invites her on a holiday to explore the legendary town of Chinon, and promptly disappears—well, that's Harry for you.

As Emily makes the acquaintance of Chinon and its people, she begins to uncover dark secrets beneath the charm. Legend has it that during a thirteenth-century siege of the castle that looms over the city, Queen Isabelle, child bride of King John, hid a "treasure of great price." And in the last days of the German occupation during World War II, another Isabelle living in Chinon, a girl whose love for an enemy soldier went tragically awry.

As the dangers of the past become disastrously real, Emily is drawn ever more deeply into a labyrinth of mystery as twisted as the streets and tunnels of the ancient town itself.

"A mix of intrigue and adventure...in a style similar to that of Mary Stewart or Barbara Erskine, Kearsley does an excellent job evoking the atmosphere of Chinon with its brooding castle."—*The Winnipeg Free Press*

"Kearsley's action-packed mystery-romance, set in a medieval French town, shows the same deft plotting that won Kearsley the Catherine Cookson prize for Mariana."—*Chatelaine*

From reader reviews:

Katie Jones:

What do you think about book? It is just for students since they're still students or the item for all people in the world, the actual best subject for that? Just you can be answered for that question above. Every person has diverse personality and hobby per other. Don't to be forced someone or something that they don't desire do that. You must know how great in addition to important the book The Splendour Falls. All type of book would you see on many solutions. You can look for the internet solutions or other social media.

Jean Gaitan:

In this 21st hundred years, people become competitive in each and every way. By being competitive currently, people have do something to make these individuals survives, being in the middle of often the crowded place and notice simply by surrounding. One thing that often many people have underestimated the idea for a while is reading. Yep, by reading a e-book your ability to survive enhance then having chance to stand than other is high. In your case who want to start reading a book, we give you this The Splendour Falls book as starter and daily reading reserve. Why, because this book is more than just a book.

Kenneth Copeland:

Typically the book The Splendour Falls has a lot of knowledge on it. So when you read this book you can get a lot of benefit. The book was written by the very famous author. Mcdougal makes some research previous to write this book. That book very easy to read you can get the point easily after reading this article book.

Mildred Kershner:

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The Splendour Falls can make you feel more interested to read.
